☑ The July issue of the MISSIONS magazine arrived on Thursday. Take a look at it on the coffee table in the foyer for some interesting articles. One particular entry is by Colin & Natalie Burnett, on p. 6:—*Love in Action: Reaching Ireland through Christ's Example*. Six photos show the facilities and the workers, including the food bank and their renovated café.

“The typically modern mind does not believe in the disease called sin. But sincerity alone is not enough to take away sin, any more than it is enough to take away cancer. You need a real doctor. You can't do it yourself. You need more than sincerity; you need a Savior.”

*Pocket Handbook of Christian Apologetics. p.116*
